DART UKRAINIAN AIRLINES PARTNERS WITH DISCOVER THE WORLD

SCOTTSDALE, Ariz., Nov. 14, 2016—For the first time, Discover the World has partnered with DART Ukrainian Airlines, handling its sales and marketing in Greece beginning in November.

“The partnership with Discover was created because DART Ukrainian Airlines began service on June 24, 2016 between Athens and Kiev with three weekly flights and we wanted to build a strong network throughout Greece,” said Natalia Sville, DART’s Deputy Commercial Director. “Discover the World was the right fit for us.”

“It is a pleasure to be representing DART, a rapidly growing Ukrainian airline founded in 1997,” said Jenny Adams, CEO of Discover the World. Discover’s team in Greece, headed by Director Dino Frantzeskakis, plans to raise the awareness of DART’s schedule and customer service, economical fares, core charter business, fleet improvements and cargo capabilities to the travel trade in Greece. From this increased exposure, Discover will help improve DART’s bottom line.”
