## **EXPEDIA TAAP APPOINTS DISCOVER THE WORLD MARKETING FOR CANADA AND USA**

SCOTTSDALE, May 16, 2013— Expedia Travel Agents Affiliate Program (TAAP) announced the appointment of Discover the World Marketing as their sales partners in key markets of Canada and USA, handling the sales and first level customer support for the program.

Launched in Europe in 2002, Expedia TAAP now partners with more than 80,000 registered travel agents globally offering commissions when selling Expedia's extensive global inventory. Travel agents have access to highly competitive Internet rates on 145,000 Hotels, car rental, flights, thousands of dynamic packages and activities such as tours, theatre tickets and transfers. Prices and products shown on TAAP mirror those viewed by the consumer, which ensures the agent is price competitive while still earning a commission.

Expedia TAAP burst onto the North American markets with its launch in early 2010 and now boasts nearly 10,000 agencies registered for the program in Canada and the US.

"Expedia has forged a strong sales and marketing partnership with Discover the World Marketing that's been in existence since 2010 and has grown in cooperation to more than 25 markets worldwide", said Diego Pedrani, Expedia's Director – Travel Agent Distribution Worldwide. "We are now partnering with Discover in US and Canada to leverage their strong sales presence in these markets and to utilize best practices across the markets where Discover represents us."

"We are delighted Expedia continues to build its partnership with us," said Jenny Adams, CEO of Discover the World Marketing. "Our success is due in large part to our business of working with travel agents for many years. We know travel agents find TAAP extremely rewarding due to its strong offerings and the customer support we provide."
